

# **Student Option Programme**

## **Installation Guide for**

### **SOP Version 2.1**

Council and Secondary Section 2

Curriculum Development Institute

Education Bureau

Last Updated: 3 June 2025

#### 1. Prerequisites

Recommended Operating System:	Microsoft Windows 10 or above
Required Software:	Microsoft Office 2016 or above / Access Database Engine 2016
Required Library:	Microsoft .NET Core 6.0

The MS Access Database Engine and/or .NET Core 6.0 will be downloaded and installed automatically if they are not found on your computer.

### 2. Download the Setup File

1. Visit the website of SOP (<u>https://sop.edb.edcity.hk</u>) and then go to the "Download" section.

In the "Download" section, click the button "Download (64-bit) ♥" to download the setup file for 64-bit
OS or click the hyperlink "Download (32-bit)" to download the setup file for 32-bit OS.

- If the MS Office installed on your computer is 32-bit version, please install SOP in 32-bit even if the OS of your computer is in 64-bit.

#### 3. Install the SOP

1. In the download folder of your computer, unzip the file "SOP.Setup-x64.zip" (64-bit version) or "SOP.Setup-x86.zip" (32-bit version) and then double-click the executable to start the installation.

2. Click "Install".
